2) If they are not, and are, as a measure of concession, allowed to occupy these Lines, they must pay out of their pockets, the charges for removing their own dirt and there is no justification why our govt should pay these charges. We are not paying conservancy charges of discharged elements of our own force and have no responsibility to pay those of others who are not even of our force

their quarters as they have had sufficient notice to vacate them They would certainly have been evicted by the Military authorities on the 1st November 1947 but for the intervention of this Government As a result of the Government's intervention, the men have been permitted to remain in the Lines till 1st January 1948 by which date it is hoped that alternative accommodation will have been found for them Government have already sanctioned the urgent acquisition of land for the purpose It will be necessary to meet the cost of the acquisition and the further expenditure for providing accommodation perhaps by a special grant or from the grant available for the amelioration of the depressed classes

25 The Military authorities state that conservancy charges have been paid during the past two and half months by the Central Government at Rs 519-8-0 per month As the men had ample time to vacate their quarters, and as it was at the special request of this Government that they were allowed to remain until 1st January 1948, the further payment of the conservancy charges is not considered by the Military authorities as a fair charge against the Central Government.

26 It has been ascertained that the men cannot afford to pay these charges themselves It is in these circumstances and in view of the fact that the Government have shown their interest in the well-being of the men, the payment of the conservancy charges for the two months for which the continued occupation of the Lines has been secured is referred to this Government Payment by Government seems to be the only practicable way of settling the claim which cannot be settled in any other way

I have also had to intervene in the matter so as to see that these unfortunates are not driven out on the streets. I have got into touch with the Collector in the matter and it is that the Commander has agreed to allow the O T S followers to remain in the Quarters latest by the end of December But the followers have been told that they have to Vacate by the end of this month.

Subject:- EVICTION OF O.T.S.FOLLOWERS FROM T

Sir,

We the undersigned beg to bring the following few lines for your kind consideration and sympathetic orders.

We belong to Depressed class community - purely labouring and serving the Military from generations ever since the British Troops Stationed in this Cantonment area and as such we had made our abode(surrounding the Military units that stationed in various barracks) at Vannarpet, Agram, O.T.S. Austin Town (now named) Khorpet(Now named as Murphy Town) and at Villiams Town.

As civilisation go on improving, our poor abodes have been acquired from the Collector's office and our predecessors were paid some remuneration in the years back and this for the present Austin Town, Murphy Town and Villiams Town, which may be verified from the Municipal Records. In this way we made homeless and destitutes without owning a quarter to l

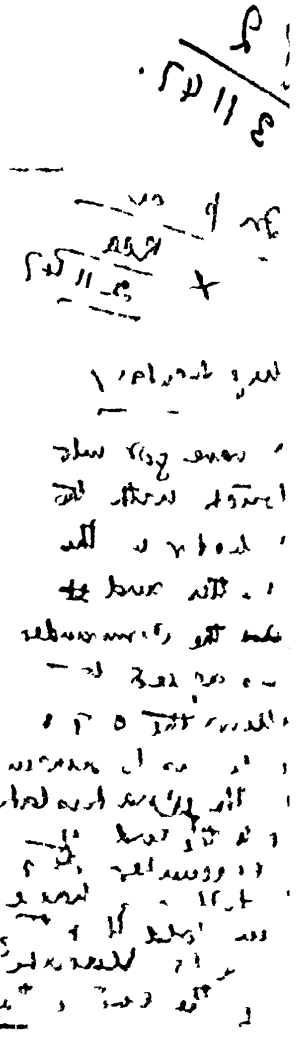
Yours most obedient servants,



in or shelter to us. Having thus fled, we had sought Followe job and while serving at Hussars, Battery, and O.T.S., we were thus provided with Followers Quarters at O.T.S.

Owing to disbandment of O.T.S. , the Military authorities have asked us to vacate our quarters on 3-11-47, We beg to state that there is no place for us to go and get shelter anywhere and we would be rendered homeless on and from 3rd inst.

Hence we request your honour to kindy construct huts for us on the vacent dry land situated behid Vannarpet (which belongs to Rao Behadur Garudachar) by acquiring the same as early as possible and to address the Military authorities in the meanwhile not to evict us from the present shelter on the 3 rd inst, until such time the Huts are made for us and allotted to us out of the SPECIAL GRANT SANCTIOD FOR DEPRESSED CLASS for 1947-48 from by the Benign Govt.of HIFighness The Maharaja of Mysore.

In the above manner we poors and destitute who are from the depressed class of this area be saved and protected with all ways and means from the benign officerplease.

We are prepared to pay a nominal rent fixed by you for the period we are allowed to remain in the quarters till huts are ready and this facility be immediately arranged without evicting us from the present place.

The specimen signatures of all the resids are endorsed on the original petition addressed to the Collor for favour of early action.

For which act of kindness we shall ever remain grateful,

BANGALORE

Sir,

Sub: Eviction of residents of O.T.S. Lines in Shamshuddinpore.

With reference to your letter No.D.C.46-47, dated 6-11-1947 regarding the above subject, I write to inform you that the Municipality is not in a position to meet the cost of acquisition of lands for this purpose and that out of the sum of Rs.50,000/- sanctioned for the amelioration of the depressed classes, a sum of Rs.10,000/- is set apart for acquisition and another sum of Rs.15,000/- for giving assistance to construct huts. Action is being taken to select a suitable land for construction of huts, but in any case this will take some time. I would however like to make it clear that the huts in the O.T.S lines should be vacated within the time allowed and this cannot be linked up with the acquisition of land. I enclose for your

information

information copy of my letter No.4837-C-47 dated 6-11-47 addressed to the residents of the O.T.S. Followers Lines.

All these facts have already been mentioned to you by me over the phone on the 2nd instant itself.

I have the honour to be,
Sir,
Your most obedient servant,

Sd. N. Puttarangaswamy

Reference Conversation Collector, Civil Sta, Bangalore/ Area Comd of the 3 Nov 47 and further to this HQ letters Nos 1203 Q3 of 17 Oct and 30 Oct 47 respectively

At the request of the Mysore govt the Sub Area Commander has agreed that the Followers in Shamshuddinpore should remain in their present quarters until 1 Jan 48, when the Mysore Govt will have found accn for these Followers and the quarters will be vacated

2. During the past 2½ months, Conservancy charges for Shumshuddinpore have been paid by the Govt at the following rates -

Rs 519-8 per month

3 This is not considered a fair charge against the Govt , in view of the fact that these Followers are trespassers on military property and have had ample time to vacate the quarters

4 It is, therefore, requested that the Mysore Govt be approached to pay these charges for the months of Nov and Dec, in view of the fact that it was at their request that the Sub Area Commander agreed to allow them to remain until 1 Jan 48, as no other accn could be found for them
